

Letter from the Master

Dear Reader,

I hope this message finds you well.

Following the successful launch of the Haileybury Association at the beginning of the year, I am delighted to share that the Association continues to grow, both in reach and in the opportunities it offers to our community. Everyone with a connection to Haileybury is part of this lifelong network - Old Haileyburians, current and former parents, staff and governors - and I warmly encourage you to explore all the Association offers.

The Association website serves as the gateway to the latest news and updates from the School and our wider community. Whether you are looking to reconnect with Haileybury, attend one of our flagship events or engage professionally through Haileybury Connect, you will find a wealth of opportunities to stay involved.

In addition to providing opportunities to connect socially, careers and mentoring are central to the support which the Association can provide. Through Haileybury Connect, members can take part in our mentoring programmes, expand their professional networks and access valuable advice at every stage of their career journey.

Looking ahead, we have an exciting programme of events planned for the summer and beyond. Highlights include our '60 Years of the Art School' celebration, The Master's Choral Event and the Schola Cantorum performance in Malta. More news on each is available on the Association's website and you are warmly invited to join us.

Please do let the School know of your recent achievements and news; it would be super to hear from you.

Thank you, as always, for your continued engagement and support.

With my best wishes,

Eugene du Toit
The Master

Opportunity Fund

We are delighted to share that over £35,000 has already been raised this year in support of The Opportunity Fund. Each year, we invite Leavers' families to mark this milestone by donating their child's school deposit in support of pupil bursaries.
